**Product**
**360 Silk**

**Description**
360 Silk for the trade is high quality, easy to-clean, silk emulsion, suitable for areas where a dirt-resisting coating is required. Containing a minimum of 50% recycled content, our re-engineered paint applies and covers like a traditional vinyl silk emulsion.

**Recommended Uses**
Suitable for internal use on plaster, wallboards and internal brickwork and blockwork.

**Colour Range**
Please refer to our product guide.

**Finish**
Silk/Mid Sheen

**Size**
2.5 Litres 5 Litres, 10 Litres

**Coverage**
Approximately 12m$^2$ per litre depending on the nature and porosity of the surface being painted. 2 coats are normally required. Strong or contrasting colours may require additional coats.

**Drying Time**
Touch Dry in 1-2 hours.
Recoat after 3-4 hours.

**Transport & Storage**
To avoid risk of spillage, always store and transport in a secure upright position. Lift with care. Do not use empty container for storing food. Protect from frost.

**Thinner**
Clean water.

**Surface Preparation**
Ensure surface to be painted is sound, clean, dry and free from grease. Remove all loose and defective paint. Prime where required. Rub down glossy surfaces with fine waterproof abrasive paper and rinse thoroughly. Avoid the inhalation of dust. Wear a suitable face mask if dry sanding.

**Application Method**
Brush, roller, or spray.
Ensure good ventilation during application and drying. Do not breathe spray. Stir well before use. For absorbent surfaces, thin with water up to 10% and use to seal the surface. If more than one can of colour is to be used in the same area intermix before use. Do not apply below 8 degrees centigrade.

**Cleaning**
Remove as much product as possible from equipment before cleaning. Replace lid firmly. Clean equipment immediately after use with warm soapy water and rinse thoroughly. Dispose content and container in accordance with local, regional, national regulations. Do not empty waste into water courses, streams, ponds etc.

**Precautions**
- Warning! Hazardous respirable droplets may be formed when sprayed.
- Do not breathe spray or mist.
- Keep out of reach from children.
- Avoid contact with skin and eyes.
- Do not ingest.
- If medical advice is needed have container or label to hand.
- Please refer to product label & Safety Data Sheet (SDS).
- SDS available on request.
